Health and Safety at Work International FESTIVAL

STATES GENERAL

PARTICIPATORY PREVENTION'S CHALLENGE

URBINO 4-5-6 May 2022
DUCAL PALACE
Piazza Rinascimento, 13

Organized by Rubes Triva Foundation in concert with the University of Urbino Carlo Bo, present itself as a recurring appointment in the European scenario, dedicated to the in-depth study of the issues about health and safety at work issues, recalling the historic vocation of the City of Urbino.

The purpose is to accept the appeal of the Institutions to put a shelter at the tragic phenomenon of the deaths at work and, in general, of accidents at work.

The theme chosen for the first edition of the Festival fo pays attention on the **conscious involvement** understood as the new prevention's challenge. The expectation is to create a productive and follow-up meeting and reflection that could involve the institutions, the world of work and the civil society.
