PLANS AND HEADLINES

PLANS 2011

CONTEXT

Elements

- Diminished Italian contribution (from € 450.000 to € 304.000 to 165.000€— not including carry-over)

BUT

- Fruits of additional fundraising also in 2011:
3 EU projects + Spanish funding continue

PLANS 2011

HEADLINES

- ❑ Training delivery going down slightly . Less funds and ACT/EMP view to do more projects and less individual training courses
- ❑ Continued implementation of Africa project (Pro€invest) and other EU and Spanish project
- ❑ Greater integration with ACT/EMP GVA: working together on projects and transmit training material
- ❑ Intensive, but still unsuccessful efforts to get more outside funding (Pro€invest closed, EU SD budget line diminished, EU NSA only open indirectly for us)
- ❑ Enhance tripartism in ILO ITC via joint in depth efforts in training and TM with other units

Projects in preparation (2011-2012)

- EYPA with Businessseurope
- TCA bis, including ILS in employers' perspective (for companies)
- Seminar on women business associations
- Project with ACT/EMP on members database

CHALLENGES

- 1. STAFF**
- 2. FUNDS**
- 3. IMPROVE QUALITY AND IMPACT**
- 4. COLLABORATION WITH ACT/EMP GVA**
- 5. TRIPARTISM**

CHALLENGES 2012 STAFF

- Issue: 3rd P position: financing from ITC ILO ?

CHALLENGES FUNDS

❑ Issue:

- further reduction of Italian funds
- Resource mobilisation: numerous efforts, little result yet
- ACT/EMP GVA input limited

Possible causes: no competitive price? insufficient resources
Actemp: quid resource mobilisation in ACT/EMP

CHALLENGES

IMPROVE THE QUALITY AND IMPACT

- ❑ National EOs - strong necessity of better collaboration
 - Send right people and not always the same people
 - More commitment

- ❑ Longer planning for EO participants in other ITC programmes/assure relevance

CHALLENGES

COLLABORATION WITH ACT/EMP

Stronger cooperation with ACT/EMP in the field

- ❑ Better planning
- ❑ Better information on training needs
- ❑ Mutual definition of the roles of each not yet fully done (EO specialists do also training)

CHALLENGES TRIPARTISM

Option taken in 2011: part surplus fund for in depth tripartism = limited CF and most accent on joint training material

Can this be confirmed for 2012?
