## WHAT

### WHAT TOPICS DOES THIS SUMMER SCHOOL COVER?

For its 100th anniversary, the ILO is inviting young people from all over the world for a **Summer School and Global Debate on the Future of Work**. The Summer School will provide participants with the tools they need to help shape new strategies and policies that deliver economic security, equal opportunity and social justice.

- **Digital economy**
- **Youth employment** challenges
- **Decent Work and the 2030 Agenda for Sustainable Development**

### WHAT WILL I LEARN?

Discover the impact of technology on jobs, as well as the risks and opportunities for governments, businesses, and people that follow.

- Insights into the **jobs of tomorrow**
- Fair transitions to **environmental sustainability**
- How to regulate the **platform economy**
- New strategies to break the **glass ceiling**

### WHAT WILL I BE ABLE TO DO?

There is a real need to understand and react to the changing employment landscape, so we can work toward a better future of work.

- Represent the country of your choice and **deliver speeches in the Global Debate**
- **Expand your business** in an international game
- Examine trends and **practice your future foresight skills** in a workshop
- Prepare and plan for the **jobs of the future**

## WHY

### WHY SHOULD I JOIN?

- In 2017, the ILO created the **Global Commission on the Future of Work** to identify and work through the most relevant challenges.
- The Summer School includes two days of debate, simulating the **proceedings of a UN summit**.
- Choose from **eight elective courses**, covering topics such as fair migration, skills for the future, and the social economy.

## WHO

### WHO ATTENDS THIS SUMMER SCHOOL?

- Leaders of youth sectors of employers and workers organizations
- Young people with leadership positions in academia and civil society

## ILO

### GLOBAL COMMISSION

The ILO created a special commission in 2017 to identify what's changing the world of work, how these changes affect workers, and how to keep up. Early 2019, the commission presented its human-centered agenda "Delivering the Social Contract":

- **Increasing investment in people's capabilities**
- **Increasing investment in the institutions of work**
- **Increasing investment in decent and sustainable work**
